

LSUS NOTES

Praying for You!

Please pray for these students/staff:

Christopher & Karson	Ade & Julie
A'Mara & Layla	Noah & Ivan
Luna & Ramya	Aaleyah & De'Lyn
Yanuell & Corban	Lilliana & Melvin
Estrella & Corlesiya	Mr. Fink & Mrs. Washington

Something BIG just happened at Lutheran South Unity School!

Over the past few weeks, LSUS officially launched —the Lutheran South House System!

Every LSUS student and staff member was placed into a House, which will become a school family within our LSUS family—a place where students can belong, contribute, encourage one another, build relationships, and have FUN! The excitement began when students got to spin the House Wheel to discover which House they would be joining.

Throughout the school year, students will have opportunities to earn House points, participate in challenges, celebrate accomplishments, and take part in some friendly competition. However, the House System is about much more than simply earning points or winning competitions.

Students will be recognized for demonstrating the qualities we value at LSUS in their classrooms, hallways, chapel, lunch, recess, activities, and throughout our school community. The goal is to encourage students to make positive choices, support one another, and understand that their actions can contribute to something bigger than themselves. One of the most exciting parts of the House System is the opportunity for our older students to become leaders and encourage our younger students. Our younger students will have older role models cheering them on, while our older students will have opportunities to step up, lead, and serve.

We are excited to see our Houses grow throughout the year and watch our students build new friendships, show school spirit, and **RISE UP together!**

LSUS VOLLEYBALL — MORE THAN A SEASON, IT'S A LEGACY

written by Coach Preosha

These girls stepped onto the court and played with the God-given talent, heart, and determination He blessed them with. From many of them first learning the game together back in 4th grade, to now preparing to take the next step and play high school volleyball, watching their journey has been truly special.

This year, Lutheran South Unity Volleyball won more games than we did last season. A reflection of their growth,

commitment, teamwork, and willingness to keep pushing.

The wins matter, but what matters even more is watching these girls grow from young

athletes into confident young women. For some, this is the beginning of a new chapter. They will carry the lessons, friendships, discipline, and memories from LSUS with them onto the high school court.

I am so proud of every single one of you. Keep using the gift God gave you, keep working, keep believing, and never forget where your journey began.

Encouragement Found in Scriptures:

Let everything that has breath praise the Lord! Praise the Lord!

— Psalms 150:6
