Sophia	Pla
Diana	Kali
Harmony	Elias
Amira	Mrs. Reynolds

Kindergarten and 8th Grade Fun Stations

Our kindergarteners had a fun-filled time learning and playing alongside our 8th graders! The students worked together through different fun stations, giving our youngest students a chance to learn, explore, and make some special memories with their older buddies. We love seeing our LSUS students connect,

encourage one another, and show what it means to be part of a school family!

Encouragement Found in Scriptures:

"Whatever you do, work heartily, as for the Lord and not for men, knowing that from the Lord you will receive the inheritance as your reward. You are serving the Lord Christ." —Colossians 3:23-24
