A Night of Music, Art, Talent

Last Friday, May 8, Lutheran South Unity School celebrated the arts with a wonderful evening showcasing the talents and creativity of our students! Led by our music teacher, Mrs. Sawall, and accompanied by Mrs. Reynolds, students performed and shared what they have learned throughout the year in music class and choir, demonstrating their hard work and growth. Performances included singing accompanied by ribbon dancing, as well as students playing recorders, xylophones, and ukuleles. Our band students also performed several musical pieces, and the strings students did an amazing job showcasing their talents as well. Guests also enjoyed a beautiful art display featuring student artwork from across the school.

The evening was also a great event for our school community to gather, mingle, and celebrate our students together. A special thank you to everyone who helped make this show such a hit! It was a wonderful night celebrating the many gifts and talents God has given our students.
